

Family Fun Splash

The purpose of this policy is to ensure the safety and well-being of all who use our facility.

For the purpose of this policy, an adult is a responsible person over the age of 16, that will provide constant supervision of the child(ren).

The maximum number of children the responsible person may safely supervise is:

- **One adult to one child up to the age of 4 years**
- **One adult to two children 4 – 7 years, where the children are non-swimmers wearing buoyancy aids.**
- **One adult to three children over the age of 8, child must be deemed as a competent swimmer. The adult may either be in the water or sitting on the poolside supervising.**

The ratio of adults to children may be increased at the discretion of the Sports Centre staff, where a child is deemed a competent swimmer*. Please contact a member of the team prior to the session.

**A competent swimmer; is able to jump from poolside into 2 metres of water, tread water for 1 minute, and Swim 50 metres effectively.*

All non-swimmers/ weak swimmers must remain in shallow water.

Swimming pools are dangerous environments. You are responsible for your own safety and that of your child(ren). You must supervise your children when they are in the pool and across the wider building.

- **Please note the use of electronic devices on the poolside will not be permitted for this session.**
- **No food or drink (except water) is permitted on the poolside.**
- **No outdoor footwear is permitted on the poolside.**

Before using any of the facilities please advise the lifeguarding staff, if you have a medical condition that may put you at sudden or expected risk and may require staff to react and to give assistance.

Thank you for your cooperation and enjoy your swim.
